

AvStar Aviation Group, Inc. Announces Chief Pilot Appointment

HOUSTON, TEXAS – January 6, 2011. AvStar Aviation Group, Inc. (AvStar) (OTC US: AAVG) today announced that it's wholly owned subsidiary, Twin Air Calypso Limited, Inc., appointed Arthur Stevenson to the position of Chief Pilot.

Arthur Stevenson is an Airline Transport Pilot having flown over 142 different types of aircraft while accumulating over 11,000 flight hours. Arthur's experience includes more than 11 years as point of contact with the FAA in the development and continuing operations of Part 135 Air Carriers. Positions previously held by Arthur include Line Pilot, Chief Pilot, Company Instructor, Company Check Airman, and Director of Operations with air carriers operating aircraft up to 19 passenger seats. Arthur also developed the "Operations", "Maintenance", "Training" and "First Responders" manuals for the Monroe County Florida Sheriff's EMS helicopter operation based in the Florida Keys.

"I am pleased to have someone with Art's credentials join Twin Air Calypso Limited, Inc. His experience with larger aircraft and commuter operations will make our transition into these areas quicker and more efficient. We will be able to develop the required manuals and procedures "in-house" thereby making their implementation easier and more cost effective." said Clayton Gamber, CEO of AvStar Aviation Group, Inc.

In December 2010 AvStar announced a Letter of Intent (see <http://www.prweb.com/releases/2010/12/prweb4920324.htm> for the full announcement) had been signed to purchase 35% of Aircraft Charters, LLC. Aircraft Charters, LLC is the owner of the aircraft currently leased to and operated by AvStar's wholly owned subsidiary Twin Air Calypso Limited, Inc. The purchase is expected to close in January of 2011.

"The purchase of Aircraft Charters, LLC will improve the balance sheet of AvStar while the addition of Art will improve the Income Statement. With Art's experience we will be able to expedite the transition to the "Commuter" operator designation as given by the FAA. With the "Commuter" designation Twin Air Calypso Limited, Inc. will gain worldwide exposure through the airline industry's established marketing services available only to "Commuter" operators." said Clayton Gamber, CEO of AvStar Aviation Group, Inc.

Forward-Looking Statements: Certain statements contained in this release issued by AVSTAR Aviation Group, Inc. (the "Company") that are not historical facts are "forward-looking" statements within the meaning of Section 21E of the Securities and Exchange Act of 1934, and because such statements involve risks and uncertainties, actual results may differ materially from those expressed or implied by such forward-looking statements. Forward-looking statements are statements regarding the intent, belief, or current expectations, estimates, or projections of the Company, its directors, or its officers about the Company and the industry in which it operates and are based on assumptions made by management. Although the Company believes that its expectations are based on reasonable assumptions, it can give no assurance that the anticipated results will occur. When issued in this report, the words "expects," "anticipates," "intends," "plans," "believes," "seeks," "estimates," and similar expressions are generally intended to identify forward-looking statements.
