

AvStar Aviation Group, Inc. Announces Dedicated Freight Flights into the Bahamas

HOUSTON, TEXAS – March 8, 2011. AvStar Aviation Group, Inc. (AvStar) (OTC US: AAVG) today announced that beginning Wednesday March 16, 2011 its wholly owned subsidiary, Twin Air Calypso Limited, Inc., will operate three weekly dedicated freight flights into the Bahamas "Family Islands". Wednesday afternoon an aircraft will serve the island of Abaco with stops in Marsh Harbour and Treasure Cay. Two flights will be operated on Thursday to the island of Eleuthera. The morning flight will serve North Eleuthera while the afternoon flight will serve Governor's Harbour and Rock Sound. Further details of the expanded freight programs are being finalized and will be released at a later date.

"The success of our passenger flights has reduced our freight capabilities. By having dedicated freight flights our customers can expect delivery delays to be greatly reduced. We will continue to use any excess capacity on passenger flights for high priority freight thereby maximizing our revenue on each flight", said Clayton Gamber, CEO of AvStar Aviation Group, Inc.

Forward-Looking Statements: Certain statements contained in this release issued by AvStar Aviation Group, Inc. (the "Company") that are not historical facts are "forward-looking" statements within the meaning of Section 21E of the Securities and Exchange Act of 1934, and because such statements involve risks and uncertainties, actual results may differ materially from those expressed or implied by such forward-looking statements. Forward-looking statements are statements regarding the intent, belief, or current expectations, estimates, or projections of the Company, its directors, or its officers about the Company and the industry in which it operates and are based on assumptions made by management. Although the Company believes that its expectations are based on reasonable assumptions, it can give no assurance that the anticipated results will occur. When issued in this report, the words "expects," "anticipates," "intends," "plans," "believes," "seeks," "estimates," and similar expressions are generally intended to identify forward-looking statements.
